123rd ANNUAL REPORT

OF THE

NEWCASTLE UPON TYNE EYE HOSPITAL

The Committee of Management has pleasure in submitting to the Governors and Subscribers the 123rd Annual Report, with the Statement of Income and Expenditure, and Balance Sheet for the year ended 31st December 1944.

The difficulties created by the state of war have not diminished during the year, but it is pleasing to report that, in spite of these difficulties, the work of the hospital has been well maintained.

The total number of In-patients admitted during the year was 599 compared with 580 in the previous year.

The number of new patients treated in the Out-patients Department, 15,910—is less than last year—17,264. This is in part due to children of school age only being seen (except in cases of accident or emergency) when referred to us by the School Oculist.

The Honorary Surgeon's Report will be found on page 8.

The report of the Orthoptic Department will be found on page 13.

The difficulty of retaining, and obtaining, resident House Surgeons is still acute, but for the greater part of the year it was possible to maintain our full establishment of three House Surgeons.

Mr. A. T. Paterson, who was elected chairman of the Committee only last year, felt compelled to resign from that office, with great regret, owing to failing health, and Mr. Fred W. Smith was unanimously elected in his stead.

Mr. J. T. Parrish, who had served on the Committee with distinction since 1931, had also to tender his resignation owing to the state of his health, and his wise guidance and business experience will be greatly missed.

Mr. Walter H. Dickenson was unanimously elected in his stead.

Miss M. E. Reed, elected to the Committee from the Workmen Governors last year, did not seek re-election.

Of the Workmen Governors members elected at the March meeting, Mr. J. F. Fairless found it impossible to attend the meetings, and the next available member in the ballot, Mr. T. Anderson, was elected.

Unfortunately Mr. James Robson and Mr. Anderson both had to resign during the year, finding it almost impossible to attend the meetings. Their successors will be elected at the next meeting of the Workmen Governors in March.

The negotiations with the R.V.I. re the Newcastle Hospital Centre are still proceeding and many meetings have taken place.

The adoption of the Scale of Salaries under the Rushcliffe Report on Nursing Salaries and the Hetherington Report on Domestic Wages has meant a large increase in expenditure, but happily the income has been forthcoming to meet this.

The Committee wish to record their appreciation of the excellent work of the House Surgeons, the Nursing Staff, the Secretary, the Domestic Staff, and all who have contributed to the harmonious work of the Hospital by their loyal co-operation.

FRED W. SMITH, *Chairman.*
ALEX. MACRAE, *Vice-Chairman.*
CECIL S. KENNADY, *Secretary.*

Mr. G. W. Pattinson, Station Master, Newcastle Central Station, Christmas Tree Fund, kindly allocated to us £100, and his wish to earmark £50 of this to the Ladies' Committee, has been duly observed.

The grateful thanks of the Committee of Management are extended to the above, as also to the following :—

All the employees of the numerous Works, Shipyards, Collieries, Co-operative Societies, and Business Establishments, who have contributed during the year. On their generous support the maintenance of the Hospital very largely depends, and without their help, it would be unable to provide the high standard of efficiency which it always strives to maintain.

The Workmen Governors who take a lively interest in the working of the Hospital, and make many valuable suggestions at their quarterly Meetings.

The Annual Subscribers and Donors for their continued subscriptions and donations.

The Ladies' Committee for their continued help and financial assistance under the chairmanship of Mrs. A. Selby Wood, their activities being, of course severely curtailed owing to war conditions.

The Helpers and Collectors who gave their services on the "Eye Day" Street Collections, particularly Mrs. H. E. Carr of Chester-le-Street, who once more organised the appeals at Chester-le-Street (£30-5-6) and Birtley (£17-12-0), and Mrs. Soppitt of Fence Houses (£31-8-1).

The Newcastle upon Tyne "Eye Day" Street Collection created a new record total of £343-4-0, against the previous best of £288-1-0 last year.

The Rev. Canon F. G. Goddard (Vicar of Jesmond Parish Church) for his continued kindness in arranging the weekly services of worship in the Hospital.

F. M. Kellett, Esq., A.C.A., Honorary Auditor.
Messrs. Clayton & Gibson, Honorary Solicitors.
Messrs. Lloyds Bank, Ltd., Honorary Treasurers.

Extract from the Minutes of the 122nd Annual General Meeting held in the Council Chamber, Town Hall, Newcastle upon Tyne on July 18th, 1944.

The Deputy Lord Mayor, Mr. Hampton-Vick, in moving the adoption of the Report and Accounts praised the great work of the Hospital and complimented the Committee on the excellent financial position, the year in question producing record figures of income.

The Mayor of Wallsend, Councillor T. A. Allan in seconding, spoke of the high regard, which the workmen of the district had for the Hospital.

FINANCIAL SUMMARY.

In presenting this financial summary for 1944, and the five preceding years the Committee of Management is highly gratified at the continued increase in ordinary income.

This increase has been steadily maintained since 1938 and it will be seen that in 1944 the ordinary income is now £16449, mainly due to increased Workers' contributions.

In this connection, the committee records with most grateful thanks, the response of the Miners' Branches of the Northumberland Miners' Association, during the year, to the Secretary's appeal for a uniform levy. Only very few branches so far have failed to respond, and it is hoped that they, in due fairness to their workmates in other branches will give the matter their further consideration, during the coming year, and come into line with the rest.

In view of rising costs, expenditure naturally increases, so that increased income is, of course, essential to enable us to keep up the high standard of efficiency, which it has always been our endeavour to maintain.

A comparative summary of Income for 1944 and the five preceding years is as follows, and is highly satisfactory.

EYE HOSPITAL LINEN GUILD.

Hon. Organiser : MRS. A. T. PATERSON.

Activities suspended in 1941 for duration of the war.

**To all who have the welfare of the Hospital
at heart.**

The Secretary is always anxious and willing to give his attention to all requests for information regarding the Hospital and its working, and freely offers his time and thought to the consideration of any scheme or effort, for raising funds for its benefit.

The splendid work being done by our surgeons is in itself an inspiration and incentive to everyone, to help further that work, by attracting support to our needs, to ensure a continuance in the future of the very high standard of efficiency which is so characteristic of the Hospital and of which all are so justly proud.

The following figures illustrate our activities since 1934.

The same also applies to the list of Out-patients Attendances.

NEWCASTLE UPON TYNE EYE HOSPITAL.

If, however, the case is so urgent that the Surgeon on duty pays him a special visit on that day, he shall retain that patient under his own care.

Out-Patients must attend regularly at 9 a.m. on their proper days. Patients must provide their own Medicine Bottles otherwise bottles supplied will be charged for.

Members of Approved Societies under the National Health Insurance Acts, before attending the Hospital, should remember that they may be entitled to a private examination by an Ophthalmic Surgeon, and must, therefore, make application to their Approved Society in the first case.

This, of course, does not apply to Accident or Emergency cases.

IMPORTANT NOTICE TO ANNUAL SUBSCRIBERS.

INCREASE OF SUBSCRIPTIONS BY RECOVERY OF INCOME TAX.

Subscribers to the Hospital give their subscriptions out of Income upon which they have already paid tax, but the Hospital can recover the tax, as described below.

Many are unaware that in certain circumstances the Hospital is able, by Recovery of Income Tax on Annual Subscriptions, to increase the amount given by the Subscriber.

Any Subscriber filling up the accompanying Form of Agreement not only enables the Hospital to recover the Income Tax on that subscription, but can himself deduct the total credited amount of that subscription from his Sur-Tax return.

The standard rate of Income Tax now being 10/- in the £, the hospital can recover one guinea for every guinea annually subscribed.
